

## CLAN HOME ASSOCIATION

### GENEALOGICAL QUESTIONNAIRE

Dear fellow Clan member:

Please complete this form with as much detail as possible, going back on your HOME/HUME side of the family, back if possible to a recognised individual in our Clan's history.

Once completed, please either hand them to the genealogists during a Clan Gathering or save and email them to us.

These records will be kept in the archives of genealogists and will be a great help to those who come after us, as well as to others who are now tracing their genealogical lines. *(Please print or type answers)*

By completing this questionnaire you are stating your agreement for us to share your information with others searching the same history. But please note that details of living individuals will not be published online

#### DATES

It is recognised that different parts of the world use different date formats. When inserting dates in this questionnaire, to avoid confusion, please enter it in the format of DAY, MONTH, YEAR. Better still is writing the month such as Sept rather than 9.

The dates so far in our database are all in this format and this would keep it consistent.

**Congratulations** if you have got this far!

You should by now have reached the middle to early 18<sup>th</sup> Century and the lucky ones would have linked up to recognised ancestors. Should this not be the case and you want to continue, please photocopy one of the last pages and change the Generation number and complete.

If you are attending the 2018 Clan Gathering, please bring your completed file with you, either printed or in electronic format. If not attending, please email it to [tree@clan-home.org](mailto:tree@clan-home.org)

Many thanks for your contribution to the Clan history.

**Our thanks, thoughts and appreciation also go to the greatly missed James Roy Hume of Wildwood, Missouri.**
